We will be ordering off the menu and separate checks will be given. Franks' has been in Great Bridge for many years and has good Italian food & pizza.

Directions: Franks' is north of the Great Bridge Bridge. If you are traveling NORTH on Battlefield Blvd., Franks is located on the left side in the first shopping center after the bridge. If you are traveling SOUTH on Battlefield Blvd., Franks is on your right BEFORE you cross the bridge.

There is a Mexican Restaurant on one end of the center and Franks' is on the other end.

Please join us for an enjoyable evening of good food and fellowship. We will be celebrating the achievements of those club members whose dogs will be receiving awards.

Please RSVP to Karen Latham, 482-5227 or falcorpwd@cox.net by Tuesday, October 13th. We need to know the approximate number of those attending for the restaurant to set up a table for us.
Hope to see everyone there!!

Info for All Exhibitors in 2010 and Beyond!

Exhibitor Rule Changes

Chapter 11, Section 1.

No dog shall be exhibited in a licensed or member dog show, except for dogs entered in the Miscellaneous Class unless it is either individually registered in the AKC Stud Book, or individually registered with a foreign registry organization whose pedigrees are acceptable for AKC registration. A dog with an AKC limited Registration shall be ineligible to be entered in a breed competition in a licensed or member dog show.

An unregistered dog with an acceptable foreign registration that is individually registered with a foreign registry organization whose pedigrees are acceptable for AKC registration may, without special AKC approval, be exhibited in licensed or member dog shows that are held not later than 30 days after the date of the first licensed or member dog show in which the dog was exhibited, but only provided that the individual foreign registration and name of the country of birth, are shown on the entry form; and provided further that the same name (which in the case of a foreign-registered dog must be the name on the foreign registrations) is used for the dog each time.

No dog that has not been individually registered with The American Kennel Club when first exhibited in a licensed or member dog show shall be eligible to be exhibited in any licensed or member dog show that is held more than 30 days after the date of the first licensed or member dog show in which it was exhibited, unless the dog's individual AKC registration number is shown on the entry form, or unless the owner has received from The American Kennel Club an extension notice in writing authorizing further entries of the dog for a specified time with its individual foreign registration number. No such extension will be granted unless the owner can clearly demonstrate, in a letter addressed to the Show Records Department of The American Kennel Club requesting such extension, that the delay in registration is due to circumstances for which he is not responsible.

Such extension notice will be void upon registration of the dog or upon expiration of the period for which the

extension has been granted if that occurs earlier, but upon application further extensions may be granted.

For complete details see [Rules Applying to Dog Shows](#), Chapter 11, Section 1.

Note: Every exhibitor should have a current copy of the Rules & Regulations Applying to Dog Shows.
